FOR IMMEDIATE RELEASE

**BOWOOD PARTNERS LTD selects KEANE's SCORE platform to enhance enterprise-wide risk management and compliance efforts**

*Keane SCORE will support collaboration and facilitate data collection company-wide to deliver up-to-the-minute, auditable reports to regulators and Bowood Partners' Board*

**Wayne, PA—July 18, 2007—**Today **The Keane Organization's Business Risk Management Solutions** division announced that **Bowood Partners Ltd**, an independent and privately owned Lloyd's Broker operating in the Non Marine & Marine markets, has chosen Keane SCORE to give more structure to their Risk Assessment process and links with controls to provide live reporting, alerts and measurement. Over the last two years, Bowood has invested significantly in systems and infrastructure to create tools that will deliver the very best service to their clients and SCORE is the latest addition.

Keane [SCORE](#) is a patent-pending, web-based decision-support tool that automates the key components of Enterprise Risk and Compliance Management – Measurement, Management and Monitoring. Designed in the U.S. by British engineers, SCORE development is led by Peter C. Teuten, President and Chief Technology Officer of Keane Business Risk Management Solutions. Teuten has over 20 years experience in both the US and UK insurance markets and Lloyd's.

The platform is fully customizable to meet any Bowood-specific needs and supports compliance with The Financial Services Authority's (FSA) and Lloyd's broker requirements. SCORE will simply and seamlessly enable enterprise-wide data collection and collaboration to efficiently deliver the most up-to-date, audit-ready reports.
